Lea & Perrins' Sauce.

Lea & Perrins, the original and genuine Worcestershire Sauce, has been before the public over half a century. Like all popular favorites, it has long been the standard of comparison and the patron for counterfeiters, who are living off the value themselves, offer to the public imitations in bottles, labels and style of getting up. They have not counterfeited the signature of Lea & Perrins, which is on the red label of every genuine bottle, and of which this is a fac-simile.

Lea & Perrins

To be sure of obtaining the genuine article, see that the above signature is on the label.
